Website and Email Addresses

Our website is up and running. It can be found at www.coventrycyclingclub.co.uk. Please log on and have a look around the site, the more hits the site gets, the higher up it gets on search engines.

All the results from last years' time trials and open events including the National Hill Climb can be found here and the events list for 2011 will be published on the website shortly.

We would still like to be able to contact members quickly and cheaply so if you have an email address please send an email to coventrycc@googlemail.com and ask for your details to be included in the club contact list.

News for the local press and club news sheet

It would be great to see the club's name in the local newspapers. The weekly time trial results are currently passed on but not much else. If you take part in an event please send Rita Humphreys a brief description of the event, location conditions etc and your achievement to rita.humphreys@ciber.com Information for this news sheet can also be passed to Rita.

CTT Handbooks

These will be available to purchase from the end of January at the Clubroom.
